

BAI Announces RMF Training Supplement for DCSA Cleared Contractors

20 August 2020

FOR IMMEDIATE RELEASE

Fairlawn, VA – BAI Information Security is pleased to announce a new training program focusing on Risk Management Framework (RMF) as it applies to cleared contractor companies under the purview of the Defense Counterintelligence and Security Agency (DCSA).

“RMF Supplement for DCSA Cleared Contractors is a one-day class designed as a follow-on to our four-day RMF for DoD IT training program,” said P. Devon Schall, BAI’s Executive Director of Training Services. *“The class covers the unique aspects of RMF as it applies to cleared contractor companies operating classified IT systems on their premises.”*

Training topics include:

- Introduction to DCSA
- RMF Roles and Responsibilities
- Types of Systems
- Authorization Boundaries
- RMF Life Cycle
 - o Step 0 – Prepare
 - o Step 1 – Categorize
 - o Step 2 – Select
 - o Step 3 – Implement
 - o Step 4 – Assess
 - o Step 5 – Authorize
 - o Step 6 – Monitor
- Documentation Artifacts
- Type Authorization
- Security Control Inheritance
- NISP eMASS
- Support Tools and Resources

BAI is offering *RMF Supplement for DCSA Cleared Contractors* on a regularly-scheduled basis in an online, instructor-led format, using our Online Personal Classroom™ technology. The cost is \$750 per student. The class is also available to private groups of at least 8 students within a company or agency, with significant savings based on class size.

About BAI

BAI Information Security is a trusted provider of training and consulting services to the Department of Defense and other federal agencies, along with their supporting contractors and vendors. BAI's core training curriculum is based on the Risk Management Framework (RMF), initially developed by the National Institute of Standards and Technology (NIST) and now implemented throughout the Department of Defense, Federal departments/agencies, and the Intelligence Community. To date, BAI has trained thousands of students internationally on RMF and related processes, and has provided consulting services to numerous government agencies and Fortune 500 companies. Founded in 1974, BAI is headquartered in Fairlawn, Virginia.
