

Mr. Austin Lee Joins BAI Training Team

27 April 2022

FOR IMMEDIATE RELEASE

Fairlawn, Virginia ... BAI Information Security announced the addition of Mr. Austin Lee to the training team. "Austin brings his extensive experience with the Risk Management Framework (RMF) as an assessor, consultant and educator, and he is excited to share his knowledge and enthusiasm for RMF with our students", said Devon Schall, Executive Director of training for BAI Information Security.

Mr. Lee will be teaching classes in *RMF for DoD IT*, *eMASS eSENTIALS*, *Security Control Implementation and Assessment*, *STIG 101*, and more.

The full schedule of BAI training classes is available at <https://register.rmf.org>.

BAI Information Security is the leading provider of Risk Management Framework (RMF) training and consulting services. For further information, please contact Alice Steger, Director of Sales and Marketing, at 1-800-RMF-1903 (763-1903), or visit the BAI website at www.rmf.org.
